Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's Attorney and the examiner discussed prior art claim rejections in the final office action (Dated 3/27/06). In particular rejections under 35 USC 101, 112(second) and 103(a) over Acosta were discussed. Specific limitations which render the claims indefinite and also contribute to the 101 rejection were emphasized. These limitations include but not limited to are: "staging tables" "loan information", "triggers", "rules" and "output". It was pointed out that redrafting the claims to address the issues (see prior office action) would overcome rejections under 101 and 112 and may also overcome the rejection over the prior art.
